

HOMELAND

On my planet I had a flower, she was always the first to speak

My flower,
my best friend,
my confident,
I remember when I told all of me to her,
my flower.

If I could make a wish,
I would choose being with her
How much I miss my planet
How much I miss my flower

I remember when I was so sad
That I could always tell her all
Now I know how much I love her
Now I know the bravery of the thoughts

My flower,
I remember when I told of me to her,
My confident,
My best friend,
My flower.
